## MARSE ABE IS PROMISING.

WINS FROM HAMMOCK BOY LIKE A GOOD TWO-YEAR-OLD.

Handzarra Shows Something of Her Old Time Form in Defeating Comedienne—Beau Brummel Wins.

New Orleans, La., January 9.—Today's racing resulted in close finishes, made possible by the improved track conditions. Form also was conserved and favorites and short-priced ones fought out the finish in nearly all the races. Jockeys V. Powers and J. Lee's good riding were features. Beau Brummel and Ace High finished close together in the principal race at a mile and seventy yards, in which a good band of selling platers started. The race was somewhat marred by the poor send-off of Fantastic. The crazy antics of Ace High were mainly responsible. Ace High secured an advantage which enabled him to show the way for three-quarters, but when challenged by Beau Brummel, he suddenly tired, began boring over to the inner rail and impeded Fantastic, which had closed an immense gap and was then in a contending position. The mishap, forcing Fantastic back, eliminated her and enabled Ace High to secure second place.

Handzarra, in the sprint race, had to be much the best to win, as her rider made several costly mistakes and all but caused her defeat. He took the McCormick filly all over the track and forced her to a hard drive to outstay Comedienne.

The failure of Toy Boy to finish in the money, was the surprise of the race.

L. A. Cella showed up a youngster in Marse Abe that may develop into a real crackerjack. On conformation and looks he easily outclassed the others and the bookmakers also had a liking for the colt, as they made him a short-priced favorite. He broke like an old-timer and, taking a slight lead at once, maintained his advantage under urging and won easily from Hammock Boy, another first-time starter. Maritza gained third place under a good ride. There was much crowding and several of the starters were knocked out of any chance in the early running.

P. Dunne took his usual daily purse when Sweetener won from poor opponents in the second race.

Bitter Sir, also favored by a good send-off and running to his best form, was much the best of the others in the third race and led all the way.

The closing race went to Delphic, which raced Envy, the favorite, into defeat in the first three-quarters, and then drew away into an easy victory.

Skyward was sold to I. Simon after the last race for \$400.

Jockey R. Murphy was suspended for six days by the starter, and Fairbrother and Minder were each given three days.

M. Goldblatt announced his intention to ship to California next week. Burlew & O'Neill sold Alsatian and Georgia Girl to him for \$2,500, and they will also be shipped to the coast with the consignment.

By sanction of the registrar of the Jockey Club, the filly Holy Mass, has had her name changed to Pinion. There was considerable censure heaped on the registrar for accepting the name Holy Mass at the beginning.

E. R. Bradley will shortly depart for his clubhouse at Palm Beach, Florida. The Palmetto club, operated by local people, over-played themselves in the opening race, and were forced to suspend operations while they were getting together a fresh bank roll. They resumed business on the last three races.

P. M. Civill has disposed of Matapon, and the horse will be shipped to Tampa.

Today's arrivals included the following bookmakers: Charley Thomas, Ed Kaufman and Ed Blum. The latter will have charge of the three books that his brother, J. Blum, will continue to operate here during his stay in California.

Weights for the Speed Handicap, to be run Saturday, have been announced. Secretary Maginn has allotted top weight to Jack Atkin, giving him the steadiest impost of 138 pounds. Jacobite is next with 134 and Chapultepec with 129 is held in high esteem, as the Burlew & O'Neill youngster is only allowed three pounds by Jack Atkin by the scale. There are eighty entered and the most probable starters will come from Jack Atkin, 134; Chapultepec, 129; King's Daughter, 116; Goldproof, 112; Colloquy, 112; Prince Ahmed, 107; Charlie Eastman, 107; Momentum, 104; Sally Preston, 104; Ace High, 103; Cooney K., 100; Angelus, 100; Come On Sam, 98; Toy Boy, 98; Bellwether, 96; The Bear, 93 and Aunt Rose, 90.

### RULING TURF OFFICIALS GATHERING.

New Orleans, La., January 9.—W. J. O'Brien, J. L. Rhinock and Secretary W. J. McAllister, of the American Turf Association, are expected to arrive in the city tomorrow morning in time for the scheduled meeting of the American Turf Association. Even if most of the directors comprising that body are on hand it will be necessary to prolong the meeting so as to give the license committee a chance to wade through their accumulated business. Messrs. May Overton and W. O. Parmer, who are members of the license committee, will not be here until some time next week.

## HANDICAP RESULTS IN A DEAD HEAT.

Waterbury and Rapid Water Finish Together—Hildreth Has a Good Filly in Achieve.

Los Angeles, Cal., January 9.—The running of the fourth race, which featured the card today, resulted in a dead heat. Waterbury and Rapid Water, which was making his first start here, thundered under the wire so close together that the judges could not separate them and a dead heat was posted. Handicapper E. C. Smith had adjusted the weights of the seven starters so well that there was not much choice between Rapid Water, Waterbury, Sir Edward and Mary F., and they were almost equally well supported in the betting. Waterbury if anything had the best of the weights and the running of the race justified that contention. He proceeded to set the pace, closely followed by Mary F. and Sir Edward, with Rapid Water in fourth place. Rapid Water passed Mary F. and Sir Edward in the stretch, and in a fast finish was wearing Waterbury down when they passed the judges. There was a demonstration of disapproval when the numbers were posted, many persons believing that Waterbury had won, but those best in a position to know agreed with the judges.

The finish between Baron Escher and First Peep was almost as close, but here again the judges were correct.

Achieve, from the Hildreth Stable, was made a 4 to 5 favorite at post time to the utter exclusion of everything else in the race for two-year-olds, and in the running made her opponents look cheap. Mattie Russell, in a fast closing rush, easily defeated the second choice, Chilla, for second place. Chief Desmond beat the lukewarm favorite, Prolific, in the third race after being in close quarters next to the inside rail throughout.

There has been a lull in the selling race war for the last two days, but it is likely to break out again at any time.

Twenty-two books did a big business today, but put away nothing, as the public had much the better of the day's betting.

W. H. Mosby has sold the only two horses he had at the track to Dick Williams, trainer for the Pasadena Stable. The horses bought by Williams were Chippewa and Scarfell, and the price he paid for the two was reported to be \$1,500 each.

J. B. Dunn has shipped his stable to Oakland, where he believes his chances to win purses with them is better than here.

All of the owners who had horses quartered at Ascot Park have been notified to remove them at once as the water will be shut off at the old track tonight. There are no stalls to be had at Santa Anita Park, and the horsemen receiving the notice are in a quandary as to where they can find new quarters for their horses.

## OFFICIAL DATES OF EASTERN RACING.

Aqueduct to Open and Close New York Season—Empire City Given Two Meetings.

New York, January 9.—The stewards of the Jockey Club have given out the racing dates of 1908, and seem to have provided equitably for all of the associations, including Empire City. It now remains for Mr. Butler to say whether he will accept the Empire City allotment or otherwise. The dates are as follows:

Aqueduct—April 15 to April 28.  
Jamaica—April 29 to May 12.  
Belmont Park—May 13 to May 30.  
Gravesend—June 1 to June 18.  
Sheepshead Bay—June 19 to July 6.  
Brighton Beach—July 7 to July 29.  
Saratoga—July 30 to August 22.  
Empire City—August 12 to August 28.  
Sheepshead Bay—August 29 to September 12.  
Gravesend—September 14 to September 26.  
Brighton Beach—September 28 to October 3.  
Belmont Park—October 5 to October 17.  
Empire City—October 19 to October 24.  
Jamaica—October 26 to November 4.  
Aqueduct—November 5 to November 14.

Ben Fleet, a promising three-year-old by Ben Strone—Strychnia, died at Sheepshead Bay today of spinal meningitis. He was a full brother to the unfortunate Highball, winner of the American Derby, which broke a leg in a race at Brighton Beach and had to be shot. Ben Fleet was entered in many stakes. He was bought last year from E. R. Thomas by the Oneck Stable of H. K. Knapp, Jockey Club member, steward and member of the State Racing Commission. Mr. Knapp said today at the Windsor Arcade: "The loss is a severe one, as great hopes were entertained of Ben Fleet in his three-year-old form. Others in the Oneck Stable have been sick, although not with meningitis, but there is no general illness at any of the Long Island tracks."

Frank Gill has not been sent to Kentucky. His owner concluded not to take a chance of sending him to the stud and getting him back to racing again for the Suburban and Brighton after he looked over the entries to the three big handicaps.

The Toddington—La Fleur colt in the Duryea barn is said to outlook his \$15,000 stable mate by Grifon—Pillowdex, which worked so fast last fall as to bring about his sale at that big figure.

The anti-racing bills at Albany are in the hands of committees said to be safely in the majority against them. The farmers will not take a chance on the Agnew bill yearly appropriation, which they will have to fight for every year instead of holding the certainty they now have in the race track tax.

## BROOKLYN, SUBURBAN AND BRIGHTON.

All the High-Class Horses of the Time Engaged in the Big Handicaps.

One, two or three more belated nominations may drift in, but substantially the entries to the three great handicaps, the Brooklyn, Suburban and Brighton, have been received. Numerically there is a decided falling off from last year, but this is not in the least to be regretted. All that has been lost in quantity has been more than gained in quality. There is the possibility of remarkable contests in each, with truly great race horses in magnificent conflict. With such older horses as Salvadore, Nealon, Charles Edward, Dandelion, De Mund, Dr. Gardner, McCarter, Running Water, Ballot, Superman, Glorifier, Jack Atkin, Montgomery, Cottontown, Riffeman, Gold Lady, Frank Gill, Electioneer, Tony Faust, Sir Huon, Inferno, Blue Book, Lane Allen and such prospective crack three-year-olds as Collin, Uncle, King James, Notasulga, Cohort, Falcada, Fair Play, Firestone, Lawrence P. Daley, Jim Gaffney, Royal Tourist, Celt, Restigouche, Master Robert, Hesslan, Stanley Fay, Running Account, Colonel Bob, Spooner, Beaucoup, Ben Fleet and Meelick to consider, Mr. Vosburgh has as difficult and interesting problems to dispose of as ever fell to him in the course of his long experience as handicapper for the Jockey Club. It is certainly hard to recall a year in which so many really high-class horses were engaged as in 1908, and it may be set down in advance that big fields are almost certain to go to the post in each of the big races.

Last year the Brooklyn Handicap had seventy-four entries, the Suburban eighty-four and the Brighton seventy-eight. With a remote possibility of a few more coming in, the entries to the three races for this year are as follows:

| Brooklyn Handicap. |      |                |      |

## OAKLAND BETTORS PAINED.

OVERLOOK A. MUSKODAY AND HE WINS BY NOT WAITING IN A WAITING RACE.

Seattle Defeats Trance and Copitt—Mandator the Only Winning Favorite—A Better Track in Prospect.

Oakland, Cal., January 9.—G. W. Dodge's inconsistent racer, A. Muskoday, won a fluke victory in today's feature race, the Melrose Handicap, from a quartette of trailing opponents, ridden by a lot of procrastinating, dilatory jockeys, who one and all had to exceed their waiting orders to the point of ludicrousness. The odds about the winner were liberal and, as usual with the horse when well meant, persistent support was awarded him throughout the betting. A. Muskoday made the running from the start, the slow pace enabling him to establish without much effort such a long lead that when the race was reduced to a sprint, he held his own and got home by a scant margin from the badly ridden Gromobol.

The card, while fully up to the standard of excellence which has been maintained at Oakland throughout the present meeting, failed to enthuse the spectators. This was due to the frequent upsets which occurred, five of the six races being captured by unconsidered outsiders in the betting. Mandator ridden by Walter Miller, was the solitary favorite to reward his backers, and he was at such a prohibitive price that the rank and file of bettors bet all around him in an effort to land a wager.

Barney Schreiber's Seattle finally made good in the juvenile race after securing an equitable chance at the start. The starter had overlooked this trifling detail in the case of the grand looking filly in her two preceding races. Keogh rode Seattle with unusual vigor after having previously distinguished himself by a piece of successful horsemanship on Dick Wilson in the opening race. Trance's defeat under the circumstances of being given a flying start aroused the ire of her illlupitlan owner, Tommy Griffin, who protested vehemently after the race against his filly being favored in that way. Copitt, the second choice, was the victim of hold-on tactics by the whipper-in and eliminated as a contender at the outset.

The stewards are pursuing an investigation into the running of the first race on Wednesday won by Reene W. They have an idea that Belle of Iroquois and Emma G. were not trying on that occasion.

Lady Vera, which broke down very badly in the third race today, was subsequently destroyed by shooting. Her right hind leg broke off just above the fetlock.

The arrival of William Walker with his big string of thoroughbreds from Arcadia is expected daily.

Splendid weather is prevailing and the track is drying out rapidly. The average attendance is 7,000, but there was a slight falling off in the number of layers, only thirty-four doing business today.

H. I. Wilson, the Butte racing magnate and owner of Gemmill, returned to Oakland yesterday. He was accompanied by Eddie Sachs, who was the plunger at the Butte meeting.

### KENILWORTH PARK OWNED AT HOME.

Buffalo, N. Y., January 9.—The ownership of Kenilworth Park has passed into the hands of local men, who will exercise absolute control of the property and the race meetings which will be held there in the future. The only exception is the few shares owned by Joseph A. Murphy of St. Louis, who has for several years acted as presiding judge and general manager during the race meetings. Last night H. Montgomery Gerrans, president of the Buffalo Racing Association, made the following statement relative to the negotiations which have been going on for some time.

"Kenilworth Park, in its entirety, is now in the control of Buffalo people. I am able to announce today that every share of stock formerly owned by New York capitalists has been purchased by Buffalo people."

"Arrangements were completed yesterday whereby John H. Seacherd, George Bleistein, S. H. Knox, Oliver J. Cabana, Jr., Daniel Good, George E. Latimer, W. P. Taylor and myself, all of Buffalo, acquired the stock held by New Yorkers. The stock in Kenilworth Park not held by these men I have mentioned is owned by Buffalonians."

### HAS A HIGH OPINION OF LEE ROSE.

O. A. Bianchi of the Oakland Stable declares that Lee Rose is by long odds the best prospect he has handled in his extended experience on the turf. He says that the colt has never yet been extended in his races or work, and that there is no telling how good he may be. So he has resolutely set his face against the tempting offers that have been made for the youngster, and will keep him. He considers him every whit as good as, and perhaps a better colt than Firestone, for which T. H. Williams paid S. C. Hildreth \$10,000 a year ago. The colt has an excellent disposition with his other good qualities, and there is every reason to believe that he will be a genuine crackerjack.

## MARSE ABE IS PROMISING.

WINS FROM HAMMOCK BOY LIKE A GOOD TWO-YEAR-OLD.

Handzarra Shows Something of Her Old Time Form in Defeating Comedienne—Beau Brummel Wins.

New Orleans, La., January 9.—Today's racing resulted in close finishes, made possible by the improved track conditions. Form also was conserved and favorites and short-priced ones fought out the finish in nearly all the races. Jockeys V. Powers' and J. Lee's good riding were features. Beau Brummel and Ace High finished close together in the principal race at a mile and seventy yards, in which a good band of selling platters started. The race was somewhat marred by the poor send-off of Fantastic. The crazy antics of Ace High were mainly responsible. Ace High secured an advantage which enabled him to show the way for three-quarters, but when challenged by Beau Brummel, he suddenly tired, began boring over to the inner rail and impeded Fantastic, which had closed an immense gap and was then in a contending position. The mishap, forcing Fantastic back, eliminated her and enabled Ace High to secure second place.

Handzarra, in the sprint race, had to be much the best to win, as her rider made several costly mistakes and all but caused her defeat. He took the McCormick filly all over the track and forced her to a hard drive to outstay Comedienne.

The failure of Toy Boy to finish in the money, was the surprise of the race.

L. A. Cella showed up a youngster in Marse Abe that may develop into a real crackerjack. On conformation and looks he easily outclassed the others and the bookmakers also had a liking for the colt, as they made him a short-priced favorite. He broke like an old-timer and, taking a slight lead at once, maintained his advantage under urging and won easily from Hammock Boy, another first-time starter. Maritza gained third place under a good ride. There was much crowding and several of the starters were knocked out of any chance in the early running.

P. Dunne took his usual daily purse when Sweetener won from poor opponents in the second race.

Bitter Sir, also favored by a good send-off and running to his best form, was much the best of the others in the third race and led all the way.

The closing race went to Delphic, which raced Envy, the favorite, into defeat in the first three-quarters and then drew away into an easy victory.

Skyward was sold to I. Simon after the last race for \$400.

Jockey R. Murphy was suspended for six days by the starter, and Fairbrother and Minder were each given three days.

M. Goldblatt announced his intention to ship to California next week. Burlew & O'Neill sold Alsatian and Georgia Girl to him for \$2,500, and they will also be shipped to the coast with the consignment.

By sanction of the registrar of the Jockey Club, the filly Holy Mass, has had her name changed to Pinion. There was considerable censure heaped on the registrar for accepting the name Holy Mass at the beginning.

E. R. Bradley will shortly depart for his clubhouse at Palm Beach, Florida. The Palmetto club, operated by local people, over-played themselves in the opening race, and were forced to suspend operations while they were getting together a fresh bank roll. They resumed business on the last three races.

P. M. Civill has disposed of Matabon, and the horse will be shipped to Tampa.

Today's arrivals included the following bookmakers: Charley Thomas, Ed Kaufman and Ed Blum. The latter will have charge of the three books that his brother, J. Blum, will continue to operate here during his stay in California.

Weights for the Speed Handicap, to be run Saturday, have been announced. Secretary Maginn has allotted top weight to Jack Atkin, giving him the steady impost of 138 pounds. Jacobite is next with 134 and Chapultepec with 120 is held in high esteem, as the Burlew & O'Neill youngster is only allowed three pounds by Jack Atkin by the scale. There are eight entered and the most probable starters will come from Jack Atkin, 134; Chapultepec, 120; King's Daughter, 116; Goldproof, 112; Colloquy, 112; Prince Ahmed, 107; Charlie Eastman, 107; Momentum, 104; Sally Preston, 104; Ace High, 103; Cooney K., 100; Angelus, 100; Come On Sam, 98; Toy Boy, 98; Bellwether, 96; The Bear, 93 and Aunt Rose, 90.

## RULING TURF OFFICIALS GATHERING.

New Orleans, La., January 9.—W. J. O'Brien, J. L. Rhinock and Secretary W. J. McAllister, of the American Turf Association, were expected to arrive in the city tomorrow morning in time for the scheduled meeting of the American Turf Association. Even if most of the directors comprising that body are on hand it will be necessary to prolong the meeting so as to give the license committee a chance to wade through their accumulated business. Messrs. May Overton and W. O. Farmer, who are members of the license committee, will not be here until some time next week.

## HANDICAP RESULTS IN A DEAD HEAT.

Waterbury and Rapid Water Finish Together—Hildreth Has a Good Filly in Achieve.

Los Angeles, Cal., January 9.—The running of the fourth race, which featured the card today, resulted in a dead heat. Waterbury and Rapid Water, which was making his first start here, thundered under the wire so close together that the judges could not separate them and a dead heat was posted. Handicapper E. C. Smith had adjusted the weights of the seven starters so well that there was not much choice between Rapid Water, Waterbury, Sir Edward and Mary F., and they were almost equally well supported in the betting. Waterbury if anything had the best of the weights and the running of the race justified that contention. He proceeded to set the pace, closely followed by Mary F. and Sir Edward, with Rapid Water in fourth place. Rapid Water passed Mary F. and Sir Edward in the stretch, and in a fast finish was wearing Waterbury down when they passed the judges. There was a demonstration of disapproval when the numbers were posted, many persons believing that Waterbury had won, but those best in a position to know agreed with the judges.

The finish between Baron Esher and First Peep was almost as close, but here again the judges were correct.

Achieve, from the Hildreth Stable, was made a 4 to 5 favorite at post time to the utter exclusion of everything else in the race for two-year-olds, and in the running made her opponents look cheap. Mattie Russell, in a fast closing rush, easily defeated the second choice, Chilla, for second place. Chief Desmond beat the lukewarm favorite, Prolific, in the third race after being in close quarters next to the inside rail throughout.

There has been a lull in the selling race war for the last two days, but it is likely to break out again at any time.

Twenty-two books did a big business today, but put away nothing, as the public had much the better of the day's betting.

W. H. Mosby has sold the only two horses he had at the track to Dick Williams, trainer for the Pasadena Stable. The horses bought by Williams were Chippewa and Searfell, and the price he paid for the two was reported to be \$1,500 each.

J. B. Dunn has shipped his stable to Oakland, where he believes his chances to win purses with them is better than here.

All of the owners who had horses quartered at Ascot Park have been notified to remove them at once as the water will be shut off at the old track tonight. There are no stalls to be had at Santa Anita Park, and the horsemen receiving the notice are in a quandary as to where they can find new quarters for their horses.

## OFFICIAL DATES OF EASTERN RACING.

Aqueduct to Open and Close New York Season—  
Empire City Given Two Meetings.

New York, January 9.—The stewards of the Jockey Club have given out the racing dates of 1908, and seem to have provided equitably for all of the associations, including Empire City. It now remains for Mr. Butler to say whether he will accept the Empire City allotment or otherwise. The dates are as follows:

Aqueduct—April 15 to April 28.  
Jamaica—April 29 to May 12.  
Belmont Park—May 13 to May 30.  
Gravesend—June 1 to June 18.  
Sheepshead Bay—June 19 to July 6.  
Brighton Beach—July 7 to July 29.  
Saratoga—July 30 to August 22.  
Empire City—August 12 to August 28.  
Sheepshead Bay—August 29 to September 12.  
Gravesend—September 14 to September 26.  
Brighton Beach—September 28 to October 3.  
Belmont Park—October 5 to October 17.  
Empire City—October 19 to October 24.  
Jamaica—October 26 to November 4.  
Aqueduct—November 5 to November 14.

Ben Fleet, a promising three-year-old by Ben Strome—Strychnia, died at Sheepshead Bay today of spinal meningitis. He was a full brother to the unfortunate Highball, winner of the American Derby, which broke a leg in a race at Brighton Beach and had to be shot. Ben Fleet was entered in many stakes. He was bought last year from E. R. Thomas by the Oneck Stable of H. K. Knapp, Jockey Club member, steward and member of the State Racing Commission. Mr. Knapp said today at the Windsor Arcade: "The loss is a severe one, as great hopes were entertained of Ben Fleet in his three-year-old form. Others in the Oneck Stable have been sick, although not with meningitis, but there is no general illness at any of the Long Island tracks."

Frank Gill has not been sent to Kentucky. His owner concluded not to take a chance of sending him to the stud and getting him back to racing again for the Suburban and Brighton after he looked over the entries to the three big handicaps.

The Toddington—La Fleur colt in the Duryea barn is said to outlook his \$15,000 stable mate by Griffin—Pillowdex, which worked so fast last fall as to bring about his sale at that big figure.

The anti-racing bills at Albany are in the hands of committees said to be safely in the majority against them. The farmers will not take a chance on the Agnew bill yearly appropriation, which they will have to fight for every year instead of holding the certainty they now have in the race track tax.

## BROOKLYN, SUBURBAN AND BRIGHTON.

All the High-Class Horses of the Time Engaged in the Big Handicaps.

One, two or three more belated nominations may drift in, but substantially the entries to the three great handicaps, the Brooklyn, Suburban and Brighton, have been received. Numerically there is a decided falling off from last year, but this is not in the least to be regretted. All that has been lost in quantity has been more than gained in quality. There is the possibility of remarkable contests in each, with truly great race horses in magnificent conflict. With such older horses as Salvadore, Nealon, Charles Edward, Dandelion, De Mund, Dr. Gardner, McCarter, Running Water, Ballot, Superm, Glorifier, Jack Atkin, Montgomery, Cottontown, Riffeman, Gold Lady, Frank Gill, Electioneer, Tony Faust, Sir Huon, Inferno, Blue Book, Lane Allen and such prospective crack three-year-olds as Collin, Uncle, King James, Notasulga, Cohort, Falcada, Fair Play, Firestone, Lawrence P. Daley, Jim Gaffney, Royal Tourist, Celt, Restigouche, Master Robert, Hesslan, Stanley Fay, Running Account, Colonel Bob, Spooner, Beaupoup, Ben Fleet and Meelick to consider, Mr. Vosburgh has as difficult and interesting problems to dispose of as ever fell to him in the course of his long experience as handicapper for the Jockey Club. It is certainly hard to recall a year in which so many really high-class horses were engaged as in 1908, and it may be set down in advance that big fields are almost certain to go to the post in each of the big races.

Last year the Brooklyn Handicap had seventy-four entries, the Suburban eighty-four and the Brighton seventy-eight. With a remote possibility of a few more coming in, the entries to the three races for this year are as follows:

| Brooklyn Handicap. |      |                |      |

## OAKLAND BETTORS PAINED.

OVERLOOK A. MUSKODAY AND HE WINS BY NOT WAITING IN A WAITING RACE.

Seattle Defeats Trance and Copitt—Mandator the Only Winning Favorite—A Better Track in Prospect.

Oakland, Cal., January 9.—G. W. Dodge's inconsistent racer, A. Muskoday, won a fluke victory in today's feature race, the Melrose Handicap, from a quartette of trailing opponents, ridden by a lot of procrastinating, dilatory jockeys, who one and all had to exceed their waiting orders to the point of ludicrousness. The odds about the winner were liberal and, as usual with the horse when well meant, persistent support was awarded him throughout the betting. A. Muskoday made the running from the start, the slow pace enabling him to establish without much effort such a long lead that when the race was reduced to a sprint, he held his own and got home by a scant margin from the badly ridden Gromobol.

The card, while fully up to the standard of excellence which has been maintained at Oakland throughout the present meeting, failed to enthuse the spectators. This was due to the frequent upsets which occurred, five of the six races being captured by unconsidered outsiders in the betting. Mandator ridden by Walter Miller, was the solitary favorite to reward his backers, and he was at such a prohibitive price that the rank and file of bettors bet all around him in an effort to land a wager.

Bailey Schreiber's Seattle filly finally made good in the juvenile race after securing an equitable chance at the start. The starter had overlooked this trifling detail in the case of the grand looking filly in her two preceding races. Keogh rode Seattle with unusual vigor after having previously distinguished himself by a piece of successful horsemanship on Dick Wilson in the opening race. Trance's defeat under the circumstances of being given a flying start aroused the ire of her illiquid owner, Tommy Griffin, who protested vehemently after the race against his filly being favored in that way. Copitt, the second choice, was the victim of hold-on tactics by the whipper-in and eliminated as a contender at the outset.

The stewards are pursuing an investigation into the running of the first race on Wednesday won by Renee W. They have an idea that Belle of Iroquois and Emma G. were not trying on that occasion.

Lady Vera, which broke down very badly in the third race today, was subsequently destroyed by shooting. Her right hind leg broke off just above the fetlock.

The arrival of William Walker with his big string of thoroughbreds from Arcadia is expected daily. Splendid weather is prevailing and the track is drying out rapidly. The average attendance is 7,000, but there was a slight falling off in the number of layers, only thirty-four doing business today.

H. I. Wilson, the Butte racing magnate and owner of Gemmill, returned to Oakland yesterday. He was accompanied by Eddie Sachs, who was the plunger at the Butte meeting.

## KENILWORTH PARK OWNED AT HOME.

Buffalo, N. Y., January 9.—The ownership of Kenilworth Park has passed into the hands of local men, who will exercise absolute control of the property and the race meetings which will be held there in the future. The only exception is the few shares owned by Joseph A. Murphy of St. Louis, who has for several years acted as presiding judge and general manager during the race meetings. Last night H. Montgomery Gerrans, president of the Buffalo Racing Association, made the following statement relative to the negotiations which have been going on for some time.

"Kenilworth Park, in its entirety, is now in the control of Buffalo people. I am able to announce today that every share of stock formerly owned by New York capitalists has been purchased by Buffalo people.

"Arrangements were completed yesterday whereby John H. Seacherd, George Bleistein, S. H. Knox, Oliver J. Cabana, Jr., Daniel Good, George E. Latimer, W. P. Taylor and myself, all of Buffalo, acquired the stock held by New Yorkers. The stock in Kenilworth Park not held by these men I have mentioned is owned by Buffalonians."

## HAS A HIGH OPINION OF LEE ROSE.

O. A. Bianchi of the Oakland Stable declares that Lee Rose is by long odds the best prospect he has handled in his extended experience on the turf. He says that the colt has never yet been extended in his races or work, and that there is no telling how good he may be. So he has resolutely set his face against the tempting offers that have been made for the youngster, and will keep him. He considers him every whit as good as, and perhaps a better colt than Firestone, for which T. H. Williams paid S. C. Hildreth \$10,000 a year ago. The colt has an excellent disposition with his other good qualities, and there is every reason to believe that he will be a genuine crackerjack.

MEMPHIS POOLROOM MEN WEAKEN.

Memphis, Tenn., January 9.—The announced attempt to test the Amis anti-betting law on races through the medium of having bets registered in a poolroom in Chittenden County, Arkansas, directly across the Mississippi river from this city, failed today when sheriff Lewis, acting on orders received from attorney-general Kirby, visited the rooms this afternoon to find them deserted. The room had been in operation for the past three days and bets were accepted on the New Orleans races.

The step taken by sheriff Lewis was to make a test case of the Amis law, but the threat of the state officials to call out the militia, if necessary, is said to have caused the poolroom people to change their plans.

PART OF OGDEN FARM IS SOLD.

Lexington, Ky., January 9.—Through the purchase of 165 acres of land at \$90 an acre, bought from Mrs. Marie Bartlett, Martin Doyle's sister, the Mary Stock Farm in Bourbon County, this state, now embraces 400 acres. The land bought today is a part of the Ogdan Farm, on which F. J. Nichols trained Day Star, winner of the Kentucky Derby of 1878.

NOTES OF THE TURF.

H. E. Rowell has purchased Transmute from S. C. Hildreth.

Fire destroyed the three large barns belonging to W. Tieman at Sheepshead Bay last Tuesday morning. All of the horses were saved.

Matt Allen has returned to New York after a holiday trip through the south. He will devote the rest of the winter to preparing the horses in his charge for spring racing.

Jockey W. W. Pickering, who arrived in this country from England a few weeks ago, has decided to join his brother in the mining business at Durban, South Africa, and will leave next week.

Superintendent William Clare of the Brighton Beach track, has been having it harrowed every day when the weather would permit and horsemen wining there have found this improved the track for training purposes.

Dick Wilson decisively outbroke and outpaced the others all the way, but finished tiring and doing his best. Ray Bennett, away poorly, closed up quickly into nearest pursuit of the pacer and was wearing him down at the end. Sycamore, shuffled back early, closed a gap in the last half and finished going fastest of all. Ed Lilburn, nearly left, made up much ground and is extra good. Curriculum retired after being forward in the running for five furlongs. Manila S, steadily improved her position from a rear start. Dr. Sherman loomed up on the last turn and then quit. Seattle, from a flying start, ran in close pursuit of the leaders to the stretch, then came through gamely in the last quarter, made good in a whipping finish and is very promising. Trance, from a flying start, made the running, but went very wide and lost enough ground to beat her. Coppit was held at the post and had no chance with the start, but closed an immense gap and probably was best. Lady Martinez was speedy, but tired in the stretch drive. Alice Collins closed a big gap. Scratched—72605 Collice, 108; Cosset, 108. Overweights—Bonsaine, 1 pound.

Belle Kinney, after running close up to the leader for three furlongs, tired, but held on well in the closing drive. Excitement broke slowly and improved his position steadily. Woolma, away poorly, ran well up for the first quarter and retired. Lady Vera, after forward early pursuit of the leaders, dropped out at the half and was thought to have broken down. The winner was entered for \$1,000; no bid. Overweights—Belle Kinney, 1 pound; Excitement, 3.

Winner—Ch. h. by Meadowthorpe—Black Bessie (trained by G. W. Dodge). Went to post at 2:58. At post 1 minute. Start good. Won driving; second and third the same. A Muskoday made the ridiculously slow running undisturbed and stole a winning lead on the backstretch, but tired and just lasted the journey. Gromoboi ran in the deepest going, was waited with too long and just failed to get up after swerving all over the stretch. Massa, after being hard held far in the rear, closed an immense gap, but failed to get up and his race should be thrown out. Jacome, badly served by the slow pace, was decisively outstripped in the last half. Legatee seemingly was unable to raise a respectable gallop. Winner—Ch. c. by Yankee—Halo (trained by E. Stubbs).  
Went to post at 1:59. At post 7 minutes. Start good. Won driving; second and third the same. Marse Abe, a good looker and fast breaker, ran into the lead in the first furlong, showed much speed, stood a hard drive resolutely and held Hammock Boy safe in the closing strides. The latter, also away fast, ran a good race and but for going wide on the turn might have won. Maritza, aided by a good ride, was in forward contention from the start and stayed well in the closing drive. Cuban Boy finished fast. Roseburg II, caught in a wedge at the start, closed a big gap and, with better luck, would have been closer up. Tony W. ran a good race. Ned Carmack tired in the last sixteenth. Dick Coghill can do better.

## 72636 SECOND RACE—3-4 Mile. (43682—1:12½—5—107.) \$400 added. 3-year-olds. Colts and Geldings. Selling. Net value to winner \$365.

Winner—Ch. g. by Allan-a-Dale—Treacle (trained by F. Hanlon).  
Went to post at 2:37. At post 5 minutes. Start bad. Won driving; second and third the same. Sweetener was reserved from the early race and, finishing gamely, wore down Bucking Boy in the closing strides and drew clear at the end. Bucking Boy showed improved form under good riding, followed Ben Sand close up for the first half and tired in the last furlong. Ben Sand showed the most speed for the first half and finished gamely, but tiring. Padrona ran fairly well and will improve. Stoneman had a rough trip and can do much better. Tarquin came from a long way back in the stretch. Orlando was knocked back in the first half. The winner was entered for \$500; no bid.  
Overweights—Bucking Boy, 24 pounds; Tarquin, 34; Orlando, 2.

Winner—Br. c. by Bitter Root—Servia (trained by J. C. Cahn).  
Went to post at 3:04. At post 1 minute. Start bad. Won easily; second driving; third the same. Bitter Sir, running to his best form and favored by the soft going and a fast start, showed the most speed all the way and won easily. Alasati suffered from interference in the early stages and stood a hard drive at the end gamely, but was not good enough to beat the winner. Stone Street closed a gap in the early running and finished fast. Sabado showed improvement and was in the front rank most of the way. Tackle quit after going a half. Thomas Calhoun was pulled up at the start and practically left, but closed a big gap and would have had a chance with a good send-off. Dick Rose can do better. The winner was entered for \$500; no bid.

Winner—B. g. by Star Shoot—Diolella (trained by John Marklein).  
Went to post at 3:32. At post 2 minutes. Start bad. Won handily; second driving; third the same. Beau Brummel, from a lucky start, followed Ace High closely to the stretch turn, where he challenged gamely and, after a sharp brush, won drawing away. Ace High had the best of the start and showed the most early speed, but then was forced to a hard drive. Fivoliini was always prominent and finished well, but was a lucky third. Fantastic, almost lost a big gap, ran a good race and but for being sharply interfered with by Ace High in the final drive would have been third. Rio Grande was taken into the worst going and stumbled several times. The winner was entered for \$1,100; no bid.

## 72639 FIFTH RACE—5-1-2 Furlongs. (60900—1:05½—4—112.) \$500 added. 4-year-olds and upward. Allowances. Net value to winner \$490.

Winner—Ch. m. by Handsel—Elzarr (trained by J. H. McCormick).  
Went to post at 4:04. At post 4 minutes. Start good. Won driving; second and third the same. Handzarrar was under restraint in the early running, but lost much ground by being taken to the extreme outside on the stretch turn, then finished gamely and outstayed Comedienne in the closing strides. Comedienne, away slowly, closed a big gap and ran a good race. Meadowbreeze came from a long way back in the stretch and finished fast. Toy Boy showed the most early speed and set the pace fast, but tired in the final drive. Lightning Conductor and Boomerang were prominent in the early running. De Oro finished well and close up.  
Scratched—72546 Momentum, 105; 72473 Conville, 104; 72563 Esentcheon, 112; 72546 Lucy Young, 103.  
Overweights—Comedienne, 1 pound; Pity, 2.
